

KNOX ORDERING GUIDE

To streamline the process of obtaining the Knox Company equipment we have made arrangements that allow you to order directly from the Knox Company. **Please order the following equipment from the Knox Company either by their web site, <https://www.knoxbox.com/> , by following the equipment specific links below or phone at 1-800-566-9269.**

KNOX BOXES:

Security lock boxes and padlocks shall be provided and installed to provide emergency access in the event of an emergency without excessive loss of time, life, and/or property.

Security lock box systems shall be installed for the following:

1. All buildings and structures of Use Group A, B, E, F, H, M and S where fire suppression systems and/or fire detection systems are required and/or installed, and such systems are monitored by a monitoring agency.
2. All buildings or structures of Use Group I.
3. All buildings or structures of Use Group R-1 and R-2.
Exception: When each dwelling unit has an independent exit directly to the exterior.

Your choice of options: Recessed or surface mounted, hinged or lift-off door, tamper switch.

Select START HERE to begin your order. When prompted to confirm your department, verify your department is shown as Monarch FPD (MO) and click on Confirm Department.

KNOX ORDERING GUIDE

MANUALLY OPERATED GATES

If a gate is to be locked, it shall be equipped with a 'Rapid Entry' padlock. **The 'Rapid Entry' padlock shall be purchased through St. Louis Metro Mutual Aid department on the Knox website at <https://www.knoxbox.com/Products/Gate-Key-Switches-and-Padlocks>.**

Select START HERE to begin your order. When prompted to confirm your department, click **'Search For Your Department'** and enter **St Louis Metro Mutual Aid** for the Department. You will need to confirm **St Louis Metro Mutual Aid** in MO before continuing.

Knox Padlocks		
Exterior Long	Exterior Short	Interior
3781	3784	3771

ELECTRICALLY OPERATED GATES

The gate shall also be equipped with a 'Rapid Entry' key operated switch to open the gate, in addition to the normal 'resident operated mechanism.' The key switch, when activated, shall keep the gate open until fire district personnel reset it after the emergency. **The 'Rapid Entry' key operated switch shall be purchased through St. Louis Metro Mutual Aid department on the Knox website at <https://www.knoxbox.com/Products/Gate-Key-Switches-and-Padlocks>.**

Select START HERE to begin your order. When prompted to confirm your department, click **'Search For Your Department'** and enter **St Louis Metro Mutual Aid** for the Department. You will need to confirm **St Louis Metro Mutual Aid** in MO before continuing.

Knox Gate and Key Switches (Metro Mutual Aid)		
Single Key Switch	Single Key Switch on Plate	Double Key Switch on Plate
